

New Hampshire *Together*

New Hampshire Together is coming to Portsmouth

**TUESDAY, MAY 7 · 6:30-8:30 PM
AT PORTSMOUTH PUBLIC LIBRARY**

Join us as we host a series of community conversations around Granite Staters thoughts about public confidence in NH elections, political polarization, and political responsiveness.

These conversations will lead up to an in-person Citizens Assembly June 21-23 in Manchester, with the potential opportunity to participate in that as well.

This process is nonpartisan, citizen-driven, and open to all.
